

International conference  
**VOLGA NEUROSCIENCE MEETING 2021**

Nizhny Novgorod, «Chayka» Resort Hotel  
**August 24-27, 2021**

---

**Dear colleagues,**

We invite scientists and researchers to participate in the III International Conference "Volga Neuroscience Meeting 2021" which will be held from 24 to 27 August 2021.

Leading scientists from all over the world will meet together to discuss topical problems in the field of neuroscience and artificial intelligence. The conference is organized by Lobachevsky State University of Nizhny Novgorod (UNN).

Head of organization and program committee:

**Konstantin Anokhin** - Prof., Academician of the Russian Academy of Sciences, P.K. Anokhin Research Institute of Normal Physiology, Moscow State University.

**Sections    Head of the section**

**BIOPHOTONICS** ● Sergey Gudkov

**COGNITIVE NEUROSCIENCE** ● Alexander Hramov

**COMPUTATIONAL NEUROSCIENCE** ● Grigory Osipov

**MOLECULAR AND CELLULAR NEUROSCIENCE** ● Victor Tarabykin

**NEURODYNAMICS AND ARTIFICIAL INTELLIGENCE** ● Alexander Gorban

The conference will be held in a full-time format in the best resort hotel in the Nizhny Novgorod region "Chayka", located on the river in one of the most delightful places in the Privolzhsky Federal District.

The conference program includes oral and poster sessions on key conference topics. The official language of the conference is English.

To submit the abstract, you should first register on the conference [website](#). Extended conference proceedings will be published in «Opera Medica et Physiologica», an international journal issued by Lobachevsky University (indexed by Scopus).
